

# NALLA HEMANTH

## PROFILE

As a motivated and driven third-year Computer Science student with a strong foundation in web development and a keen interest in front-end technologies, I am actively seeking an internship opportunity to further enhance my skills and knowledge while contributing to a dynamic and innovative team. With a passion for creating captivating and user-centric websites, I aim to leverage my proficiency in front-end technologies and problem-solving abilities to develop cutting-edge digital experiences that leave a lasting impact on users.

## EDUCATION

### Bachelor of Technology (B.Tech) in Computer Science

- Andhra University, Visakhapatnam, Andhra Pradesh
- Current CGPA: 8.77
- 2021 - Present

### Intermediate

- Sri Chaitanya Junior College, Visakhapatnam, Andhra Pradesh
- Percentage: 98.5% (985/1000)
- Year of Passing: 2021

### Tenth Class

- Abhyudaya High School, Vizianagaram, Andhra Pradesh
- CGPA: 10/10
- Year of Passing: 2019

## Projects

### Resume Builder

- Developed a web application that allows users to create and download professional resumes.
- Utilized HTML, CSS, and JavaScript to design the user interface and enhance user experience.
- Implemented a backend system to save and retrieve user data using a server-side language.

### Online Code Editor

- Created an online code editor with syntax highlighting for various programming languages.
- Used React.js and Node.js to build the frontend and backend components of the application.
- Integrated an execution engine to run the user's code and display the output in real-time.
